PLASTERERS NOT INVOLVED.

Delay on Park Cantonment Due to Other Matters.

Inquiry today shows that the delay in the completion of the Army cantonment in East Potomac Park is in nowise due to a demand by plasterers for higher wages, as had been reported.

ed, the fact being that there are no plasterers employed on that job. The original publication about plasterers was due to a loose statement made by one of the Army officers in charge of the work.

He admitted today that when he said "the plasterers wanted higher wages" he meant the "workmen" in general—plumbers, cement finishers, etc. At any rate, he didn't mean "plasterers," as there is no plastering work under way there.

MASS MEETING CALLED

IN TEACHERS' BEHALF

Plea for Higher Pay for Them to Be Made at Powell School Tuesday Night.

A mass meeting for the many citizens who are keenly interested in obtaining higher pay for public school teachers of the National Capital is announced for next Tuesday evening in the auditorium of the Powell School, School street, near Park road northwest. Several speakers of prominence, representative of the citizens of the District who are served by the schools, are to be secured, and all persons in any way interested are cordially invited to attend.

Arrangements for this big demonstration were made at a joint meeting of the committee on education of the Mount Pleasant Citizens' Association, the Columbia Heights Citizens' Association and of the Powell-Johnson Community Center, held last evening at the Powell School building.

The gathering next Tuesday is expected to formulate an urgent demand for the passage by Congress at the present session of legislation adequately increasing the salaries of the public school teachers of the District. Henry Phillips, ex-president of the Mount Pleasant Citizens' Association, is to preside, while the committee on arrangements is composed of Adam H. Gaddis, D. D. Caldwell and Mrs. John H. Hunter.

At the time of his death Davidson was acting captain in the 318th Infantry and was leading his men against a Hun machine gun nest when killed. He now rests, together with some of his brother officers, near Somewhere, about five miles from Buxarney. The young officer's sister, Miss Marjorie Davidson, also for a time resided in Washington and is well remembered here.

MANY NEW U. S. CITIZENS.

Naturalization Papers Issued to 162,864 Men in Army.

The naturalization bureau of the Department of Labor, through its intensive campaign in citizenship in the Army, has made 162,864 American citizens. These figures reported by the Department of Labor cover naturalizations to January 11.

Relaxation of rules governing naturalization in the cases of men in uniform made possible this record. It is pointed out by the department. When aliens joined the American forces they thereby took their first papers, and all that remained was to complete the formality of inducing them into citizenship.
